Subject: You're invited to a ChatMaestro study

Hello,
You've been invited to ChatMaestro.

Hi Alice, you've been invited to take part in a short chat study (Terse-prompt study) run by vinay.s. It takes about 15 minutes. Click the button below to sign in — no password needed. Thanks for helping out!

Accept the invite

Annotations

- 1 The invite flow** Pick a role + email template, preview it, then send via the configured provider.
- 2** Enter one email address per line.
- 3 Layered on the base email** Your template text is added on top of Supabase's standard invite email.

- 4 **Reading the preview** The tinted block is your template notes; the rest is Supabase's standard template + the generated invite link.
- 5 Discard changes and close.
- 6 **Recorded** Each send is recorded in the email log with its provider and status.
