

Add models (picker)

pick-model.html · 680×600

1 Add models [X]

Search the model catalog

Showing catalog models not already in this configuration. **claude-opus-4-8** and **gpt-5** are hidden because they are already selected.

☐	gemini-2.0-pro google · enabled	JUDGE	VISION
☒	llama-3.3-70b ollama · local · enabled	GENERAL	OPEN-WEIGHT
☐	gpt-4o openai · superseded by gpt-5	GENERAL	
☐	mistral-large mistral · enabled	GENERAL	

2 Cancel **3** + Add 1 model

Annotations

- 1 Pick from the catalog** Only models from the installation's model catalog that are NOT already in this configuration are listed, so a model can't be added twice.
- 2** Discard changes and close.
- 3** Add the selected model.
