Annotations

- Where this lives** Reached from the avatar menu — available to every role. Your account, and how ChatMaestro looks and notifies you.
- Sign-in identity** This email doubles as your sign-in identity, so it can't be changed here.

- 3 **Managed centrally** Your role is set by the platform — you can't change it here.

- 4 **Used for** Your time zone formats every timestamp and export filename.

- 5 **Column layouts** Per-table show/hide + column sort are remembered, the same way across visits.

- 6 Discard changes and close.

- 7 Save your preference settings.
